DETAILS

Afterglow

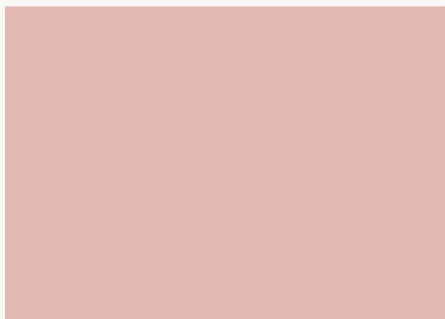

Aria Solvang · 2024 · 9 tracks

Recorded live in a single evening session. Mixed and mastered by the artist.

Every panel here drags by its header, resizes at its edge, and re-docks anywhere in the window

One layout. Four albums. Four accents.

Every accent below shares the same chroma and lightness — only the hue shifts, sampled from that album's art. The typography, spacing and layout never change.

Nocturne in Blue

Aria Solvang · Afterglow

Every window we left half-open

still keeps the porch light spoken

| and the nocturne keeps us close

longer than the record spins

quiet as the tape hiss thins
